

Shepherd's Canyon Retreat provides counseling retreats for Lutheran professional church workers and their spouses (singles are welcome) who are experiencing burnout and/or personal or marital, or congregational conflicts. As the word about this ministry spreads we will welcome clients from other denominational groups.

The purpose of the retreat is to provide a safe and confidential experience of restoration for professional church workers which include pastors, missionaries, teachers, military chaplains, music ministers, deaconesses, and Directors of Christian Education.

Dr. John Johnson, LPC, from Green Bay, Wisconsin, describes Shepherd's Canyon Retreat as "a year of counseling in a week".

No more than eight individuals come together for group, couple, and individual counseling led by Licensed Professional Counselors, Licensed Marriage and Family Therapists, and current and retired Clinical Psychologists.
